

# HLTAID006 Provide advanced first aid (Includes HLTAID007 Provide advanced resuscitation)

## Course Information Sheet

This course is delivered and assessed by Premium Health Pty Ltd (RTO no 104032).

### About the course

The course covers topics such as crush injuries, material safety data sheets (MSDS), health effects of occupational hazards, how to deal with chemical emergencies and best practice aseptic techniques. The use and safety of oxygen is also covered.

### Learning outcomes

Students will have gained the skills and knowledge to:

- Apply oxygen therapy and resuscitation
- Apply automated external defibrillation
- Understand MSDS/ Hazchem documentation

### Who should study this course?

This course is suitable for persons who have first aid responsibilities in a larger workplace with a high level of risk.

### Training recommendations

Students must complete a theory workbook component prior to the attendance of the two days practical training.

Master Builders encourages all individuals regardless of their disabilities and social, racial, cultural or educational background to apply for training courses in accordance with the requirements of the *Equal Opportunity Act (Vic) 2010* and related legislation.

### Learning support

Master Builders at the time of recruitment can offer a range of support services to students who experience literacy, digital literacy and numeracy difficulties.

Premium Health offers learner support services within the scope of its operations. The nature of the support depends on an assessment of individuals' needs. If you know of anything that may prevent you or your employee/s from progressing through training and assessment, you are invited to call our Training Manager (1300 72 1292) to discuss and design a suitable support strategy. For further information regarding training, assessment requirements Premium Health policies and procedures we request that you and your employee/s visit the Student Information Area of our website [www.premiumhealth.com.au](http://www.premiumhealth.com.au).
