

HLTAID001 Provide cardiopulmonary resuscitation - Refresher

Course Information Sheet

About the course

This course is delivered and assessed by **Premium Health Pty Ltd (RTO no 104032)**.

This short course is specifically designed to provide students with the knowledge to perform cardiopulmonary resuscitation (CPR) in line with the Australian Resuscitation Council Guidelines.

Areas covered include introduction to first aid principles, airway and breathing management and cardiopulmonary resuscitation/rescue breathing and early defibrillation.

Learning outcomes

This course will enable students to:

- Respond to signs of an unconscious casualty
- Perform CPR
- Communicate details of the incident.

Who should study this course?

This course is particularly geared to provide an update refresher in CPR for students with current first aid certification. The Australian Resuscitation Council recommends an update every 12 months.

Further study opportunities

Upon successful completion of this course students may be interested in furthering their First Aid training by completing First Aid Level 3.

For more information on all Master Builders Association courses, please refer to the Training website:

www.mbavtraining.com.au.

Training recommendations

Students must hold a current First Aid certification.

Master Builders encourages all individuals regardless of their disabilities and social, racial, cultural or educational background to apply for training courses in accordance with the requirements of the Equal Opportunity Act (Vic) 2010 and related legislation.

Learning support

Master Builders at the time of recruitment can offer a range of support services to students who experience literacy, digital literacy and numeracy difficulties.

Premium Health offers learner support services within the scope of its operations. The nature of the support depends on an assessment of individuals' needs. If you know of anything that may prevent you or your employee/s from progressing through training and assessment, you are invited to call our Training Manager (**1300 72 1292**) to discuss and design a suitable support strategy. For further information regarding training, assessment requirements Premium Health policies and procedures we request that you and your employee/s visit the Student Information Area of our website www.premiumhealth.com.au.

Course structure and duration

The course is delivered face to face over **2.75 hours**.

Upon successful completion of this course, student will be awarded a Statement of Attainment by **Premium Health Pty Ltd (RTO no. 104032)** for the following units:

No.	Units		Delivery days
	Code	Title	
1.	HLTAID001	Provide cardiopulmonary resuscitation	1

Assessment

Students will be required to demonstrate that they have the required knowledge and skills necessary to manage an unconscious, non breathing and pulse-less person prior to the arrival of medical aid.

IS YOUR BUILDER A MASTER BUILDER?

Unique Student Identifier

From 1 January 2015, all students who undertake Nationally Recognised Training must have a Unique Student Identifier (USI). Your USI means all your training records and results will be in one place.

See more at: <http://www.mbavtraining.com.au/content/unique-student-identifier-usi/>

To get a USI, go to: <http://www.usi.gov.au/create-your-USI/Pages/default.aspx>

NOTE : Students who fail to organise a valid USI prior to course commencement and provide this to Premium Health after the course is completed will be charged a \$10 administration fee.

Students will not be issued a Qualification Testamur or Statement of Attainment without a valid USI.

Course fees

Please note the following fee categories:

Category	Fee
Master Builders Member	\$100
