

Manage Medium Rise Construction

Course Information Sheet

About the course

This course is delivered and assessed by The Master Builders Association of Victoria also known as Master Builders Victoria (MBV) - RTO no 3935.

The Manage Medium Rise Construction short course outlines how to

- Manage onsite work, including communication processes, OHS risks, ordering materials and installing equipment and general onsite operations.
- Determine subcontractor requirements, select the best subcontractors for the work, and manage their performance.
- Select building materials that meet building standards, contract specifications and service requirements for the project.

Learning outcomes

You will have gained the skills and knowledge to:

- Manage on-site work for building and construction projects to meet commercial contractual obligations.
- Select and manage building and construction contractors.
- Apply quality standards to the selection of building and construction materials.

Who should study this course?

This course is suitable for:

- Builders, project managers, site managers, forepersons, construction managers, and;
- Other building practitioners involved with the management of small to medium sized building businesses as well as the planning of onsite construction work.

Master Builders Victoria entry requirements

It is a Master Builders Victoria requirement for those wishing to undertake this course that they:

- Are successful at a Language, Literacy and Numeracy (LLN) assessment & a Pre-Training Review
- Have basic computer skills as this course is delivered partially online

Due to the accelerated nature of this course, it is recommended that you have at least five (5) years of experience in the building and construction industry. Master Builders Victoria encourages all individuals regardless of their disabilities and social, racial, cultural or educational background to apply for training courses in accordance with the requirements of the *Equal Opportunity Act (Vic) 2010* and related legislation.

What you need to bring to class

You must bring a pen and notebook to class.

In addition, you must bring **evidence of entitlement to study in Australia** to your first class (not necessary if you have already presented this to Master Builders Victoria).

- Photo ID

and ONE of the below:

- Original or certified copy of green Medicare Card OR
- Original or certified copy of Australian or New Zealand Passport OR
- Original or certified copy of Australian Birth Certificate OR
- Original or certified copy of Naturalisation document OR
- Original or certified copy of Visa or Immigration documentation.

Please note: You will not be able to attend the class until evidence of entitlement to study has been presented.

Learning support

Master Builders Victoria provides additional support to students who require assistance in completing their course assessments and requirements. A range of support services are available to students who experience literacy, digital literacy and numeracy difficulties.

Master Builders Victoria encourages all individuals with disabilities to apply for training courses in accordance with the requirements of the Equal Opportunity Act (Vic) 2010 and related legislation. Master Builders Victoria further encourages individuals from all social, racial, cultural and educational backgrounds to apply.

Course structure and duration

Delivery Mode: Blended

The course is delivered over a period of **6.5 days** or equivalent night sessions.

Upon successful completion of this course, you will be awarded a Statement of Attainment by **The Master Builders Association of Victoria (RTO no 3935)** for the following units of competency:

- CPCCBC5010 Manage construction work
- CPCCBC5005 Select and manage building and construction contractors

IS YOUR BUILDER A MASTER BUILDER?

- CPCBC5004 Supervise and apply quality standards to the selection of building and construction materials

Note: If you've studied CPC50220 Diploma of Building and Construction (Building) with Master Builders Victoria you may already hold these units of competency or equivalent units of competency.

Assessment

Assessment activities may be a combination of scenarios/case studies, written responses, portfolio of evidence, observations, simulated role-plays, oral presentations and projects. All assessments will be contextualized to a construction workplace.

Assessments are submitted in electronic format through our Learning Management System. Training in the use of this system will be provided on the first day of the course.

Simulation learning component

Master Builders Victoria have now incorporated an exciting session at our state-of-the-art Building Leadership Simulation Centre (BLSC) into this course. You'll be able to practice some of the skills learnt in this course, firsthand in a simulated workplace environment, which has been proven to be one of the most effective ways to learn new skills. The technology and learning methods used in this facility are so realistic that you will feel like you are actually on a real construction site. This realistic style of learning is unique to Master Builders Victoria, as the BLSC facility is one of only 3 centers of this type in the world.

Unique Student Identifier

From 1 January 2015, all students who undertake Nationally Recognised Training must have a Unique Student Identifier (USI). Your USI means all your training records and results will be in one place.

See more at: <http://www.mbavtraining.com.au/content/unique-student-identifier-usi/>

To get a USI, go to: <http://www.usi.gov.au/create-your-USI/Pages/default.aspx>

Course fees

Refer to the [statement of fees](#) on our website at www.mbavtraining.com.au

For further details please contact 9411 4555 or email training@mbav.com.au

Required texts

As part of the course fee, Master Builders Victoria provides learners with online access to all the Australian Standards referenced in the National Construction Code (NCC) 2019 (Volume One and Volume Two) if required for this course.

IS YOUR BUILDER A MASTER BUILDER?

The following texts are available free online, but learners may prefer to purchase a hard copy for ease of access.

- Building Act 1993
- Building Regulations 2018
- Building and Construction Industry Security of Payment Act 2002
- Occupational Health and Safety Act 2004
- Occupational Health and Safety Regulations 2017

Hard copies may be purchased through the Master Builders Victoria shop. For a copy of the Publication Order Form please contact (03) 9411 4555 or email training@mbav.com.au

Recognition of prior learning (RPL) or credit transfer

The Australian Qualifications Framework (AQF) is a comprehensive national policy framework that defines all qualifications recognised nationally in post-compulsory education within Australia. As a Registered Training Organisation (RTO) authorised to deliver training and issue qualifications under the AQF, Master Builders Victoria recognises AQF qualifications and Statements of Attainment issued by RTOs throughout Australia for qualifications and Units of Competency currently on its Scope of Registration.

An application for RPL or credit transfer can be submitted prior to the commencement of the course.

Please telephone the Training Department on 03 9411 4555 if you would like to discuss this further.

Further study opportunities

For more information on all Master Builders Association courses, please refer to the Training website:

<http://www.mbavtraining.com.au/>

Exit opportunities

1. Students who successfully complete all required units/modules will receive their statement of attainment itemising the units successfully completed.
2. Following receipt of written advice from the student (or trainer) that the student does not intend to complete the full course, the student will be issued with a Statement of Attainment listing all units/modules successfully completed.

Note: Some students may decide to exit the course for further foundational learning and content studies if a lack of work experience (years and type) has been identified within the induction pre-training review.
